INSIDE...CAN YOU UNBOLT THE **kmfm** VAULT?**£25,000 IS WAITING FOR YOU****WHAT would you do with £25,000?**

That's the question kmfm Medway Breakfast presenter Andy Walker has been asking listeners – and giving them the chance to win this huge amount of cash.

This is the third week of the breakfast team's Unbolt The Vault competition. The kmfm Cruisers have been out every weekday morning across the ME postcode giving you an opportunity to win £25,000.

All you have to do is listen in

from 6am every day to find out where Nicola and LJ will be with the sealed kmfm vault. Once listeners have tracked them down, they can have a go at cracking the six-digit code needed to unlock the door and take away the money.

Andy said: "We have had loads of people going to find the Cruisers. If you are on your way to work you can pull over and give it a go. It only takes a few minutes and you could walk away £25,000.

"The winner would then face a dilemma; do they call their boss saying they are going to be a bit late but carry on driving into

work or call in sick to go to celebrate their win?"

"We have had people trying all sorts of combinations; their kids birthdays, lottery numbers or just six random numbers.

"I would love someone in Medway to win £25,000. It could give you a deposit on a house, you could clear your debts or you could blow it all in one go on a holiday of a lifetime."

Unbolt the Vault runs every weekday morning until Friday, August 20. Tune into Andy Walker's Breakfast Show from 6am on 100.4 and 107.9 fm to find out where the Cruisers will be each day.
