

LOUISES LAST TEST

RELEASE - SEPTEMBER 23rd 2010

COOKIE SET TO RUFFLE FEATHERS

Louise Cook, British Female Rally Driver from Maidstone in Kent is contesting in the final round of the British Rally Championship Challenge this weekend, in the notorious high speed forest of Northern Yorkshire. The Trackrod Rally Yorkshire is based in sunny Scarborough.

Louise in her first full season is lying an incredible 6th place from 27 competing drivers in the British Rally Championship Challenge. Louise is the only female in the championship and in addition to currently ranking 6th place overall, she is also lying 3rd place Junior Driver. Louise plans to continue her successful learning curve and is hoping for a good finish on her first visit to the Yorkshire forest and to achieve her pre season goal of a top ten finish.

To fund this expensive sport, Louise has

been approaching businesses in Kent to offer the opportunity to support her, through her very innovative Promotion 50 Campaign. Louise is giving companies the chance to enter the Promotion 50 Campaign, with the 1 in 5 chance of winning prime advertising spots on the car, in addition to the permanent spot on the car and on her hotly visited website. The lucky winner for this round is Premier Velocity, the prestige and supercar hire company.

Louise welcomes Yorkshire's famous Flamingo Land Resort to her season's campaign. With cookies famous love for all things pink there will be one more pink bird in the famous park this coming weekend as Louise hopes to spread her own wings in the Yorkshire forest.

"This weekend is going to be packed with adrenalin fuelled rides with plenty of twists and turns....first in the Yorkshire forest rally car....and then Flamingo lands famous Mumbo Jumbo rollercoaster.

"I'm looking forward to meeting those pink flamingos and making some new friends!" said Louise.

Louise has set her sights on a top 10 finish this weekend but in what is a learning season for the 23 year old a finish has to remain the first priority.

"I can't wait to go flat out on the fastest stages in the British championship, I have just this week build my first ever engine with my own two hands so it will not only be a test of my driving skills but now a test of my technical know how. I just hope it lasts!" Said Louise.

COOKIES CORNER

This season has been like a rollercoaster. The build up for this event has been the craziest yet from having to rebuild engines to racing falcons and Cheetah's let's hope the rally lives up to the build up.

It's great to have the support of Flamingo Land to help make this last round happen and it's great that they are being so supportive to their local championship round.
